Vol. 17 - No. 1 November 2014 "The Nehrenz In-laws and Out-laws!"

From the Editor - Dave Nehrenz - davenehrenz@aol.com 902 Carey Dr. Norman, OK. 73069

Hello to the Nehrenz family members and friends! The last issue of this newsletter was in November 2013 and the topic was "Did you know that...? The purpose was to share interesting stories and anecdotes about various Nehrenz people since 1869, when they came to America. **Many of them could be called "Nehrenz In-Laws!"**

In 17 years of these newsletters, I realized we had never done an issue solely dedicated to all the men and women who are connected to the Nehrenz family surname, but who for several generations have not carried on the actual Nehrenz name. I guess you could say they would be called the "Nehrenz Out-Laws!" When we have our own Nehrenz Reunion in Ohio once every two years, we take a photo of all of our "Nehrenz Out-Laws" who have married Nehrenz guys and gals.

I will try to list and describe in this newsletter **the many other surnames** which are connected to the Nehrenz surname. This will be a long list. Every man or woman who was born with the Nehrenz name and then was married, has brought **another surname into the mix** through the spouse. Also, as their children with different surnames marry people with additional surnames, the Nehrenz surname is lost in some families within one or two generations. After nearly 200 years, the various surnames have begun to multiply exponentially and it is a difficult task to track them.

However, over the years, I have discovered that some of those who are most interested in the Nehrenz History are those who do not actually have that last name themselves. A family tree has many branches and we are shaped by all of them.

So here we go. I know we will probably overlook some important surnames, but if we do, please contact us so we can include your family and families. As I do in every issue, the front page of this newsletter lists **the original ancestors** of us all. It is a good idea to refer back to it often, so as to avoid endless confusion about who is related to whom.

I hope you enjoy this issue, whether you are a Nehrenz "In-law" or "Out-law!"

If Mrs. Evelyn Martens wasn't sure last night was April 2, she might have thought she was the victim of an "April Fool" bowling prank.

The 164-average bowler fired 13 consecutive strikes in the Women Golfers' League at Linsz Recreation last night but failed to achieve a 300 game. She wound up an opening 236 with eight straight strikes and then cleaned the slides five more times in 216 game before missing. A final 170 game gave her a 622 series.

However, she missed tieing for the lead in the women's division of the Plain Dealer contest by one pin as Aleda Graebner rolled 237 in the Linsz Ladies Industrial League to take the top position.
