Hello to the Nehrenz family members and friends! This newsletter will provide details about the family of **Henry Nehrenz**, the youngest son and child of Johann Christian Nehrenz. The original Nehrenz people came from Trollenhagen, Germany in November 1869. They landed at the Battery Park Castle Garden on Manhattan Island in New York City on the ship "Borussia" and then went on to Cleveland, Ohio. Henry was only eight years old when he came over on the ship.

If you find mistakes in this newsletter, please contact us and we will make the corrections. Enjoy reading about this branch of the Nehrenz family from which my family descends. I apologize ahead of time for the small font size in the main body of this newsletter. A Nehrenz Newsletter is only produced once or twice a year, so we try to pack a lot of information into eight pages. It might be a good idea to use a magnifying glass to more easily read it! ☺ Sincerely, Dave Nehrenz

SPECIAL and NOTEWORTHY People and INFORMATION in Henry's Family:

Since my family is from this Nehrenz line, I have accumulated many sources over the years. My grandfather, Dr. John Nehrenz, was a dentist in Cleveland and an active layman in the Lutheran Church. He was Henry's only living son. Our family grew up with his sister Clara's (Halter) descendants, in the Cleveland area. His sister Mae's (Lohr) family was in Indiana. His sister Anna Nehrenz married late in life and never had children. Also, my grandfather had a five-year journal which is a treasure trove of stories and anecdotes. The other sources of information about our family line are the 60 movies he took from 1934-1954. Thanks to our cousin, Paul Nehrenz, these movies have all been digitized. They will eventually be made into a "Henry Nehrenz Family Documentary." In these films, he was portraying the Henry Nehrenz line: the John Nehrenz, Clara Halter, Mae Lohr and Anna Nehrenz families. Also, again, we want to thank Dr. Guy Nehrenz for maintaining the Nehrenz Network webpage. You can view this newsletter and all the others as well, and download them.

1933 - At the 75th anniversary of St. Paul Lutheran Church in Dover, OH. it was noted in the history booklet, "Number Board and Altar Rug, in memory of the Rev. John Rupprecht, by his grandson, Dr. John Nehrenz."

In interview by David Nehrenz of Clara Nehrenz Halter in about 1972, she said that her brother John Nehrenz was a singer who sang duets, and liked to ride motorbikes. He worked for the railroad company, and wanted to become a doctor, but did not have enough money, so he became a dentist instead.

In a note from George L. Halter to Dave Nehrenz on 12-4-1995, he wrote that Dr. John Nehrenz, his uncle, on Wednesday afternoons (his day off) would golf at Sleepy Hollow Golf Course and he would caddy for him in 1926-27. He was a charter member and talked his dad George Halter into also joining. Also in his very early years he remembers that John Nehrenz was their Santa Claus, and that after he left one night, he looked out the front window and said to his mom and dad that Santa has a car just like Uncle John! Also, he noted that his father George Halter, who was married to Clara Nehrenz, was always competing with Dr. John Nehrenz over having the best car. In 1921, John had a "small 6" Studebaker and then George went and got a "big 6" Studebaker!

MY MEMORIES OF THE NEHRENZ FAMILY:

"We Halters were close with our Nehrenz cousins and had many family get-togethers. Aunt Gertie was my sponsor at baptism and I carry her name, Gertrude, as my middle name. Norma and I were the same age and we had many good times together. I remember staying with her at their home on Foote Rd. in Bay Village. We climbed trees and laughed and told stories in bed at night. We also

walked to Huntington Beach to go swimming. I remember Uncle John doing his magic tricks - nickel found behind our ear etc... He would use these tricks to soften us up for filling cavities in our teeth without Novocain. "Just raise your hand if it hurts," he would say. When our families got together, our parents would line us up in a row, the tallest to the shortest, to have our pictures taken."

MY MEMORIES OF THE LOHR FAMILY:

"Since the Lohr family lived in Ft. Wayne and we Halters lived in Lakewood we didn't get to know them very well. Uncle August was my brother Cliff's sponsor at baptism and Cliff bears the name August as his middle name. One of my earliest memories of the Lohr family was of a trip I took with my Grandma Nehrenz (Mary) on the Nickel plate railroad to visit them at their home on Home Ave. in Ft. Wayne. I was about five years old at the time. I remember going with Virginia, who was one year younger than I, to a sandlot baseball game at Wilson park in Lakewood when she and her family came to visit. In later years we were (and still are!) long-suffering Cleveland Indians fans."

Henry Nehrenz married Mary Rupprecht.
This is the only known picture of Henry and also of the two of them together.

Mary, Anna, John, Clara, Mae Nehrenz
They actually had two brothers who
died in childhood – Carl and Henry.
None of them ever spoke about these
two brothers.

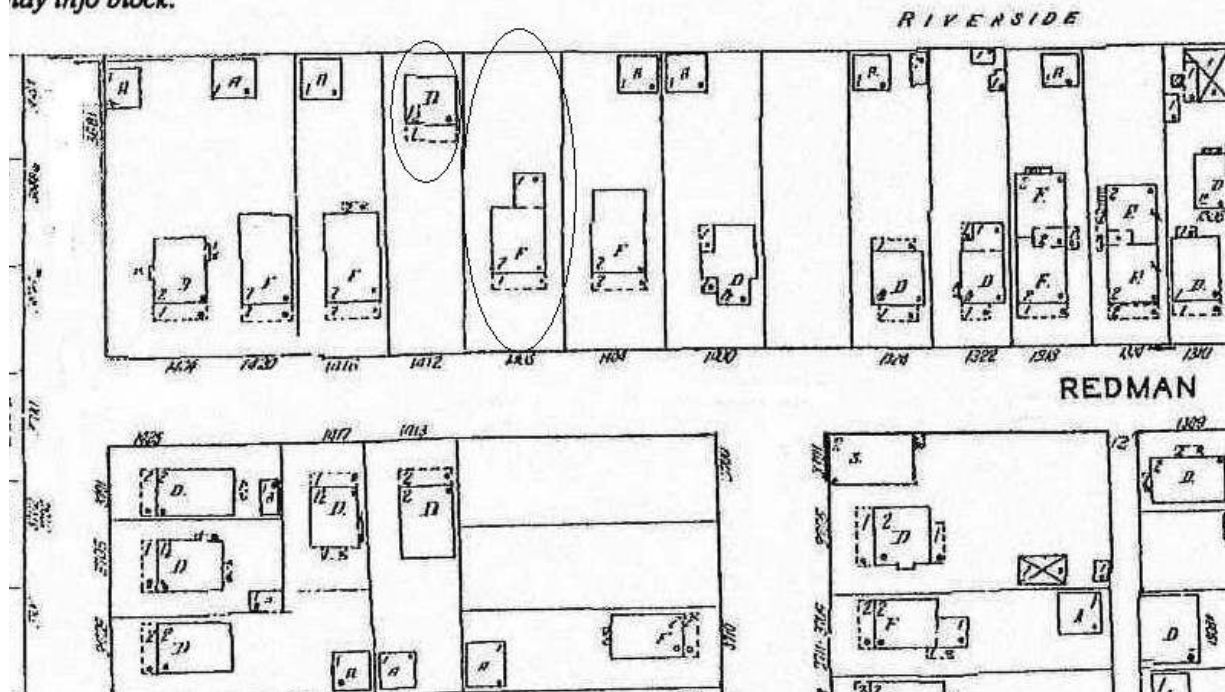

Mary and Anna Nehrenz, Clara Halter, Mae Lohr, August Lohr, George Halter, John and Gert Nehrenz
Taken from John Nehrenz' movies, this shows the whole Henry Nehrenz family with their spouses.
It is sad that Henry had died in 1906 at only 45 years old. The movie shows them as a happy and
fun-loving family. They enjoyed being together with all their children as well.
