SPECIAL and NOTEWORTHY People:

This would be the time to extend a special "thank you" to one very special person within the William Nehrenz family, to whom we owe a huge debt of gratitude, because she was the only person who had extensively researched our family.

That person is **Claire Talbert**. When we first started the Nehrenz Network in 1995, it was Claire who had all the key data and records to get this whole enterprise going. She did all the initial work long before these records started appearing on the Internet. To Claire goes our thanks, because much information would have been lost, had it not been for her. I have met her and her husband Richard back in Ohio, and have been to their home. I also met her mother **Elva Brobst**.

Another person from the William line who has assisted us over the years is **Leonard Nehrenz**. My three sons and I, back in 1997, accompanied Claire, Elva and Leonard to the various Cleveland cemeteries where Nehrenz people are buried. They took us to the Wade Scranton Cemetery and pointed out the unmarked plots where William and his wife are buried, as well those of the patriarch and matriarch of us all, Johann Christian and Mary Nehrenz. It is sad that these plots are unmarked, maybe one day burial markers can be placed over their interment places.

Important Note: This newsletter includes the seven generations of the William Nehrenz line. Our apologies if there are mistakes here. Many of these people are the ones who are reading this newsletter. If there are obvious glitches, we need to hear from you. **It is risky** to attempt to report all seven generations – please, no one get upset if you were left off the list, or if wrong information is found here! That is why we encourage you to go the Nehrenz Network webpage, and there you will find a link to the entire William Nehrenz Family Tree. Send your corrections to us online. Thanks ahead of time ☺

William Nehrenz was married to Christine Beth on November 11, 1875 at Trinity Lutheran Church Cleveland, Ohio by Pastor H.C. Wyneken. She was the mother of all 8 children. She died April 20, 1902.

On November 01, 1904, William, age 51 married **Susan Kuehne Koenig**, age 41. She had two children named Stella and Henry from a first marriage. Thus she became the step-mother to his 8 children and had 2 children of her own.

In the Nov. 1, 1904 marriage record, at the time he resided at 100 Noyes St. He was still a plasterer.

He was married to his second wife on the same day as his daughter Emilie Nehrenz married George J. Fritz, Nov. 1, 1904.

William would die on December 08, 1928 and Susan would die 17 days later on December 25, 1928. There must be a story here, and if the members of his line have more details to share, that would be interesting.

Immigration records: The arrival records for the Port of New York at the Castle Clinton immigration center (at the tip of Manhattan Island, called "The Battery"- the pre-Ellis Island immigrant processing place) have the listing: as passengers #80-86: They sailed on the ship "S.S. (William)-12 male**, Johe. -9 female, H. -6 male -listed as children.

This is the house at 2930 W. 12th St. in Cleveland, Ohio where the William Nehrenz family lived for 44 years. Originally the address was 100 Noyes. The street was re-named W. 12th and the address numbers were also changed. On Noyes St. there were 7 homes in which Nehrenz people lived. This street could have been called "Noyes Nehrenz-ville!"

This is the altar and chancel of Trinity Lutheran Church where William and Christina were married. The Pastor is H.C. Wyneken who did the wedding ceremony. He and his father were some of the founding pastors of the Lutheran Church-Missouri Synod.
