## Vol. 18 - No. 1 December 2015 **“The Nehrenz Family Geography”**

**From the Editor - Dave Nehrenz -** [davenehrenz@aol.com](mailto:davenehrenz@aol.com) 902 Carey Dr. Norman, OK. 73069

**Hello to the Nehrenz family members and friends!** The last issue of this newsletter was in November 2014 and the topic was “The Nehrenz In-laws and Out-laws.” An annual mailing takes place with a new issue once per year.

This issue will be dedicated to **the geography** of where Nehrenz people have lived in the past and where they are living now in the U.S.A. We know that back in Germany, **the original Nehrenz ancestors lived in Grischow and Trollenhagen, located in the province of Neustrelitz, Germany. That area was part of Pomerania.** It is in northeastern Germany and also included northwestern Poland. These people lived in poverty, mostly as peasants, with little hope of advancement.

We know that they immigrated through New York City to Cleveland, Ohio in 1869. **We started out as Ohioans and Clevelanders because a large immigration from northern Germany to Cleveland happened from 1830 to 1900.** There were industrial jobs in this large urban community of iron workers and factory laborers. The early Nehrenz people were brick masons, roofers, painters, carpenters and involved in manual labor. Their children then began to branch out into other types of employment such as store managers, teachers, musicians, accountants and telegraph operators.

**I thought you would find it interesting to see where we are living now. Hopefully you will be pleasantly surprised to discover fellow Nehrenz descendants who may live near you. This Nehrenz Network is now in its 20<sup>th</sup> year.** Since 1995 we have been connecting with each other and sharing stories, pictures and family records. It has stunned people when they have come to realize that they were sometimes living within a couple blocks of their distant cousins and relatives. Of course many other surnames are now connected to the Nehrenz name. These will be included.

**My hope is that once you see the maps and lists contained within this newsletter, you will take the time to contact some of the relatives who are nearby.** Genealogy and geography are actually good avenues to connect with people and learn your joint history with them. In so doing, you will be amazed at the individuals you will meet. Your eyes will be opened to the large family we have now become!

As I do in every issue, the front page of this newsletter lists **the original ancestors** of us all. If you want to get more detailed information, contact me and I will be glad to email any files you request. If you have a genealogy program on your computer, I can send one file which can be uploaded and includes the entire 10 generations of the Nehrenz family. Thanks for your interest and for taking the time to read this newsletter.

The road into Trollenhagen, Germany where the Nehrenzs lived during the 1800s. On a map it is north of Neubrandenburg. The population in the town today is 955. There is an airport there now.

The addresses we now have in the database are only as accurate as the information that has been sent to us. The numbers on the states above indicate how many **Nehrenz family units** live in each state. These will include people with various surnames but all of whom are connected to the Nehrenz family tree in some way. Since we may have only the information for parents in a family but not for their children, this map cannot be considered all encompassing. Send us updated addresses, email and phone information so the Nehrenz roster can be as accurate as possible.

**HERE IS A COLLAGE OF VARIOUS NEHRENZ FAMILY TREE PEOPLE**

**This is a Nehrenz Roster.** The first column indicates from which one of the seven original Nehrenz children **Ancestors** the person comes. The sixth column, for the **State** where the person lives, is how the database has been sorted, so you can find the people that live near you. This information is constantly changing, so send corrections which need to be made.

As you look through this list, if there are other names you would like to add, feel free to contact us and we will gladly do so. Your children may be interested in receiving this annual newsletter, and if so, send an email and we can send a copy to them. There are now two standing file cabinets filled with Nehrenz family photos, letters, articles, memorabilia and personal items. If you have been wanting to clean out old photos and letters from your attic (which are related to our Nehrenz history) do not throw them away. Send them to us and we will add them to the Nehrenz archives.

**The “holy grail” for our family is to find a photo of the original Nehrenz ancestors – Johann Christian and Maria Nehrenz. Maybe someone has such a photo in a box somewhere? It would be a great discovery to find one!**
